Volunteer Spotlight April 2021

The Arc of Weld County (The AWC) would like to recognize Barrett Koehmstedt, a very dedicated, compassionate, free spirited young man. Since Barrett was a very young boy he has been involved in as many volunteer opportunities as possible! A few of his favorites being our Annual Families in Action retreat and inclusive kickball. Not only do we value Barrett as a volunteer but he is also very passionate about fundraising for our agency. For his 6th birthday he hosted Coins for a Cause and this past year he created a fundraising campaign through Colorado Gives Day for the Inclusive Technology Access Fund. Barrett is an outstanding role model for youth in our community continuously displaying inclusiveness, commitment, and caring for others. Barrett, on behalf of The AWC team, we would like to say thank you! We are eager to see all the incredible things you accomplish in life!
