She has served in over 5 Families in Action Retreats providing respite care for individuals. The passion and energy our agency is fortunate enough to receive from Jo is unmatched. Jo, on behalf of our team, board of directors, and our community- we thank you immensely. People like you make all the difference one day at a time.

If I could change one thing in the world, what would it be?

Jo would make it a normalcy in our society to practice self love and self respect. Additionally, Jo would say, "Live, Learn, & Move On".
