

VOLUNTEER SPOTLIGHT

THE ARC OF WELD COUNTY - DECEMBER 2020

The Arc of Weld County (The AWC) would like to recognize Michael Kelley, dedicated father, advocate, volunteer, and one of our cherished Board Members. Mike has served as our Board of Director treasurer for several years logging over 260 hours! Mike's journey with The AWC began when Mike and his wife, Autumn, moved to Northern Colorado from sunny California and were looking to be connected with services for their son Andre, who was diagnosed with Autism at the age of 3 years old. He strives daily to improve the lives of individuals with disabilities. Mike courageously served 16 years in the United States Military and had the opportunity to travel all over the world. Mike finds joy and happiness in spending time with his family, playing pool, and spending time at the lake. Mike, the entire Arc of Weld County staff thank you immensely for all you have given to our agency and our community. It is because of individuals like you that make the world a better place. The impact you have made on our agency and in our community is unmatched. Thank you!
